**Re: Local 506 – Toronto Mason Tender 1 and Mason Tender 2 Effective Date 2024**

---

It has recently come to our attention that there is a discrepancy for the Effective Date on our published wage schedules for Local 506 Mason Tender Rates.

OMCA has been in contact with our Local 506 partners, and it has been confirmed that the Effective Date for 2024 is to be Monday May 6, 2024.

The website will be updated immediately.
