

MASONRY INDUSTRY EMPLOYERS COUNCIL OF ONTARIO
OMCA-BACU BARGAINING COMMITTEE

MEMORANDUM

To: MIECO/OBBC/OMCA Signatory Employers
From: David Stubbs, Executive Director
Date: April 29, 2020
Re: **BRICKLAYERS AND LABOURERS' 2020 RATE INCREASES**

The COVID19 Pandemic has presented numerous challenges for our contractor members over the past 2 months and will certainly change the way our members work in the future. Currently, we are working with our labour partners to ensure those sites that are open have adequate workers available to staff the sites. As the Ford Government prepares to open Ontario for business again, all of our workforce will need to be ready to go back to work.

At this time, we want to remind our Employers of the upcoming rate increases for 2020 as per our Collective Agreements.

The May 1st, 2020 Bricklayers wages, deductions and contributions adjustments are set out in the Wage Schedules that can be found on the MIECO/OBBC/OMCA website www.brickemployer.com.

The May 3rd, 2020 Labourers wages, deductions and contributions adjustments are set out in the Wage Schedules that can be found on the MIECO/OBBC/OMCA website www.brickemployer.com.
